WE ARE SEATING MANUFACTURERS

European product, **made 100% in Spain**, at our facilities in Ezcaray (La Rioja).

More than 40.000 de m².

We began working in **1994** and from the outset we have focused our efforts on differentiating ourselves from the usual solutions available in the market, based on **designing seats and seating** which bring together the concepts of **user comfort, durability** in the face of any kind of use or location and a design which gives each project beauty and an exclusive style.

At present we are leaders in the international market for quality, design, technology, innovation and competitiveness, with a presence in more than **125 countries**.
